25X1C

25X1A

BRIEFING

25X1A

25X1

[] announced that round trip transportation would be provided
for those attending the briefing at Headquarters on Tuesday, 26 June. The
bus will leave [] about 0900.

ANNUAL RECORDS INVENTORY

25X1A

25X1A

[] indicated that the present forms are too bulky and
cumbersome and the instructions are not clear. []

25X1A

25X1A

[] subsequently are creating a new form that might aid IAS in the
future.) [] (IAS Records Officer) was tasked to insure uniformity
in the IAS inventory.

25X1

CONSOLIDATED LIST FOR BASIC REPORTS FOR FY 74

Two months ago the Special Assistant asked members to look at nominees to determine if any should be dropped. Fifty-three of the sixty targets were dropped. It isn't resolved if DIA would do the 42 CIA-nominated ground force installations.

MIDDLE EAST WORKING GROUP

The paper establishing a Middle East Working Group and outlining personnel and responsibilities involved was approved with minor change. [] is the coordinator and [] is the alternate coordinator.

EFFECT OF "ALTERNATIVE 3" ON IAS

[] briefed members on AID's Alternative 3 and what it would do for IAS. Members agreed that it would be acceptable.

IAS COMMUNICATIONS CONFERENCE []

Two items upon which [] requested immediate action were surfaced for discussion: a proposal to establish a central reading panel in IAS and a main bulletin board for posting of pictures of new employees, awards, etc. The bulletin board is on order for installation in the main lobby of IAS. The Production Board members were unanimously opposed to creation of a central reading panel.
